3. All entries must be in place on the exhibition tables before 10:00 a.m., the 1st day of the show. Entries found to be placed in improper sections may be moved to the proper section in advance of judging.
4. Entry tags, furnished by the society must be filled in correctly to receive consideration of the judges. No tag should be altered. If tag information needs to be changed, use a new tag. Judges will be instructed to contact a show official if a tag has been altered.
5. An Amateur exhibitor may exhibit in only one amateur section A, B, C & D. Exception: Undisseminated dahlia blooms (see Definitions) may be entered in Sections E, F, G, H, R, V & X, as well as those Sections devoted to artistic arrangements.
6. "Cloth Enclosure" (see Definitions) growers may not exhibit blooms in Sections A, B, C & D. If an exhibitor has a cloth enclosure, all "AA", "A" "B" & "BB" sized blooms must be exhibited in the Section(s) provided for dahlias grown under cloth.

7. The number of dahlia "hills" (see Definitions) planted at the initial time of planting determines the Section the exhibitor shall enter. Dahlias lost during the growing season cannot be deducted to gain admittance to a lower Section.
8. Any number of entries may be made by an exhibitor in any class in the Section(s) in which he or she is entitled to exhibit, **except in Section X, where no more than two (2) blooms are allowed in each class**. All blooms must have been grown by the exhibitor.
Exception: Entries in classes devoted to arrangements for artistic effect or which are judged for artistry of design & not solely for perfection of bloom need not be grown by the exhibitor.
9. The use of artificial material to support dahlia stems, such as wire or cord, may subject an entry to disqualification.
10. Standard containers will be furnished for entries in classes for specimen blooms. Exhibitors must furnish their own containers for entries made in all classes to be judged for artistic effect. Exhibitors may reserve containers for Section V entries from the Show Chair.
11. Trade exhibitors are to furnish all containers & accessories for staging their own exhibits & must make reservations with the Show Chair in advance of the show.
12. CSDS will not be responsible for loss or damage to exhibits or personal property of exhibitors, but will exercise the utmost care for the protection of all exhibits. The Show Committee suggests that exhibitors supplying their own containers, etc.,

apply their names & addresses
in an inconspicuous place.

13. All blooms are to become the property of CSDS & none may be sold or given away during the show. No exhibits may be removed from the show, except with the consent of the Show Chair.
14. The Show Committee reserves the right to change or modify any rule(s) if deemed necessary.
15. Winners at this show must arrange to pick up awards either at the Annual Awards Banquet or the first regular meeting following the Banquet.

JUDGING

16. Any entry considered unfit for exhibition may be excluded by the judges.
17. No blooms will be disqualified for being oversize or undersize. Judges will evaluate blooms on the basis of their classification by the American Dahlia Society.
18. The decision of the judges shall be final unless the Show Chair requests a re-judging. Any exhibitor protest must be given to the Show Chair within two hours after judging & a deposit of five dollars (\$5.00) in cash shall be made with such protest. The deposit will be returned to the exhibitor making the protest, if the Show Chair finds there has been an error in judging.

CLASSIFICATION

19. All dahlias with the exception of those exhibited in Section R (Artistic Designs) shall be classified in accordance with current American Dahlia Society's Classification & Handbook of Dahlias or the current

Composite Listing of Dahlias using the 4-digit classification system. Any entries not listed shall be referred to the CSDS Classification Committee for classification prior to judging. When given a classification, the entry tag of such entry(s) must show the initials of the Classification Committee member. Judges shall be instructed to disqualify such entries when entry tags are not signed by a Classification Committee member.

20. All entries must be properly named or be subject to disqualification. A fictitious name or incorrect name may disqualify an entry. Show tags must be completed using the current American Dahlia Society classification system.

These "certificate" winners will be considered Honor Table blooms & will compete for most perfect of size in each section. Only the largest & most perfect of size in each section will qualify to compete for Largest, Best of Size & Best of Show.
22. In all cases, only Blue Ribbon winning blooms may receive consideration for Honor Table Awards.
23. No first-place award need be given for the judges to award a

second or third place. If the judges consider a sole entry to be suitable, a first-place award may be given.

CENTRAL STATES DAHLIA SOCIETY AWARDS

All traveling trophies except the "Largest in Show" TRAVELING TROPHY were retired in 1974.

FOUNDERS AWARD

The FOUNDERS AWARD recognizes those individuals without whom there would be no Central States Dahlia Society. They organized the society during the early 1930's. Their original intent was to form the "World's Fair Dahlia Society." They planned & developed a dahlia garden at the site of Chicago's two-year "Century of Progress World's Fair." From this beginning, the Society evolved into a thriving organization. It remains so today.

SUSTAINERS AWARD

The SUSTAINERS AWARD recognizes the many members, past & present, who through their dedication, devotion & hard work have made it possible for the Society to succeed. These have been people willing to "roll up their

sleeves” to get the job done. This award recognizes those members who have done what’s necessary to sustain the Society.

VISIONARIES AWARD

Central States Dahlia Society owes much to those members who, over the years, recognized the need to move organization to new heights. The VISIONARIES AWARD commends those members, past & present, who have been willing to present positive ideas for change. These people have been essential to our continued success.

BENEFACTORS AWARD

Much of the Society's good fortune has resulted from the special generosity of its members. The BENEFACTORS AWARD honors our members, past & present, who have gone beyond the basic financial requirements of membership to provide the Society with the extra funds necessary to perpetuate its many purposes & programs.

MENTORS AWARD

Providing instruction & information to new dahlia growers is key to the continued success of our society. The MENTORS AWARD recognizes our experienced grower/members, who give their valuable knowledge & time to assist people who are new to dahlias & to anyone seeking to learn more about our flower. There is no higher calling in our society than the willingness to promote the love of dahlias.

EDWARD A. SCHOENLAU AWARD

Central States Dahlia Society is pleased to honor the memory of one of its longtime members who contributed much to the success of its Annual Show, & to the spreading of Dahlia interest worldwide through the cover design of the society's past publication, "THE DAHLIA." Ed's imaginative cover designs depicted the hopes, troubles & successes of the dahlia grower. They remain a joy to this day. Ed Schoenlau joined Central States Dahlia Society in 1934. He designed the large emblem which was the focal point of the Dahlia display by our Society at the First International Horticultural Exposition in 1936. This original emblem still graces our show hall every year. The official Central States Dahlia Society Medal is a miniature replica of this emblem. A silver version is awarded annually to the winner of the highest scoring seedling in the ADS Seedling Bench Evaluation.
